

CURRICULUM VITAE

LETITIA E. TRAVAGLINI, PH.D.

Postdoctoral Psychology Fellow
Veterans Affairs Capitol Healthcare Network (VISN 5)
Mental Illness Research, Education, and Clinical Center (MIRECC)

CONTACT INFORMATION

Phone: 410-637-1867
E-mail Address: Letitia.travaglini@va.gov

AREAS OF INTEREST IN CHRONIC PAIN MANGEMENT AMONG VETERANS WITH SERIOUS MENTAL ILLNESS (SMI)

- Improving functional outcomes for veterans with co-occurring chronic pain and SMI
- Identifying personal and systemic barriers to veterans with SMI accessing pain management services
- Developing and evaluating behavior interventions to treat chronic pain in veterans with SMI
- Secondary interests: healthcare integration and care coordination for individuals with comorbid mental and physical health conditions

EDUCATION

2016	Ph.D.	University of Maryland, Baltimore County (Baltimore, MD) Human Services Psychology: Clinical & Community/Applied Social Psychology Tracks <i>Dissertation:</i> Reducing HIV/AIDS Stigma through Video Public Service Announcements
2012	M.A.	University of Maryland, Baltimore County (Baltimore, MD) Human Services Psychology <i>Master's Thesis:</i> Expectancies and Motives as Mediating Links Between College Students' Personality and Alcohol Use
2009	M.A.	West Chester University of Pennsylvania (West Chester, PA) Clinical Psychology
2007	B.S.	Lafayette College (Easton, PA) Psychology, Honors in Psychology <i>Honor's Thesis:</i> Gender Differences in College Students' Competitiveness in Sports-related Computer Games

POST-GRADUATE EDUCATION & TRAINING

2016-2019	Postdoctoral Fellowship , VA Advanced Fellowship in Mental Illness Research and Treatment VISN 5 MIRECC (Baltimore, MD)
2015-2016	Predoctoral Internship , VAMHCS/University of Maryland School of Medicine Psychology Internship Consortium (Baltimore, MD) <i>Specialization:</i> Adult Outpatient Psychiatry (generalist and recovery-focused programming); Emotion-Focused Couples Therapy

LICENSURE

2018 Licensed Psychologist, Active (Maryland)

CURRENT POSITIONS

Psychologist Clinical Investigator, VISN 5 MIRECC (Baltimore, MD)

- 75% Research, focused on chronic pain conditions among Veterans with serious mental illness (SMI)
- 25% Clinical, pain psychology services through the VA Maryland Health Care System Neurology Chronic Pain Service

Adjunct Faculty, University of Baltimore, Division of Applied Behavioral Sciences (Baltimore, MD)

- Undergraduate courses: Health Psychology; Theories of Personality
- Graduate courses: Applied Assessment Procedures; Professional Identity and Ethical & Legal Issues

GRANT FUNDING

07/2017 – 06/2018 Chronic Pain Experience and Management among Veterans with Bipolar Disorder
VISN 5 MIRECC Pilot Resource Fund
Principle Investigator (0%)
Total Direct Costs: \$24,767.00

02/2020 – 01/2025 Improving the Assessment and Treatment of Chronic Pain in Veterans with Serious Mental Illness
VA Rehabilitation Research & Development Career Development Award-2
Principle Investigator (75%)
Total Direct Costs: \$846,939.00

RESEARCH EXPERIENCE

09/2016 – 12/2019 **Postdoctoral Fellow**, VA Advanced Fellowship in Mental Illness Research and Treatment
VISN 5 MIRECC (Baltimore, MD)
Center Director: Richard Goldberg, Ph.D.
Primary Supervisor: Melanie Bennet, Ph.D.

11/2015 – 02/2016 **Consultant**, University of Maryland, Baltimore County (UMBC; Baltimore, MD)
Department of Psychology, Center for Community Collaboration
Center Director: Carlo C. DiClemente, Ph.D.
Grant Funding: SAMHSA Minority AIDS Initiative, SM-11-03 (PI: Maryland Department of Health and Mental Hygiene)

08/2015 – 06/2016 **Psychology Intern**, VA Maryland Health Care System/University of Maryland School of Medicine Psychology Internship Consortium (Baltimore, MD)
University of Maryland School of Medicine, Department of Psychiatry
Supervisor/PI: Seth Himelhoch, M.D.
Grant Funding: SAMHSA, 5U79SM057654-04SM057654 (PI: Himelhoch)

07/2012 – 06/2015 **Research Assistant**, UMBC (Baltimore, MD)
Department of Psychology, Center for Community Collaboration
Center Director: Carlo C. DiClemente, Ph.D.
Grant Funding: SAMHSA Minority AIDS Initiative, SM-11-03 (PI: Maryland Department of Health and Mental Hygiene)

08/2011 – 08/2013 **Campus Team Member**, UMBC (Baltimore, MD)

Department of Student Affairs, NCHIP Learning Collaborative on High Risk Drinking
Campus Team Leaders: Nancy Young, Ph.D. & Joel Dewyer, M.A.

- 06/2008 – 07/2010 **Research Assistant**, University of Pennsylvania School of Medicine (Philadelphia, PA)
 Department of Psychiatry, Aaron T. Beck Psychopathology Research Center
Principle Investigator: Aaron T. Beck, M.D.
 Grant Funding: National Alliance for Research on Schizophrenia and Depression (NARSAD),
 Distinguished Investigator Award (PI: Beck)
 National Institute of Mental Health (NIMH), K99 MH080100, P20 MH71905
 (PI: Beck)
- 09/2006 – 05/2007 **EXCEL Scholar**, Lafayette College (Easton, PA)
 Department of Psychology
Supervisor: Jennifer M. Talarico, Ph.D.

CLINICAL ACTIVITIES

Clinical Expertise

Provision of evidence-based treatments (EBTs) for adults with SMI, emotional disturbance, substance use disorders, and acute and chronic physical health conditions delivered within multidisciplinary and recovery-oriented treatment settings. Includes psychoeducation, cognitive-behavioral approaches, and motivational interviewing in individual and group-based formats.

Proficient in the following EBTs

- Cognitive-Behavioral Therapy (CBT) for mood, anxiety, substance use, psychosis, and chronic pain
- Motivational Interviewing (MI), individual and group formats
- Screening, Brief Intervention, and Referral to Treatment (SBIRT)
- Illness Management and Recovery (IMR)

Clinical Experience

- 01/2020 - Present **Pain Psychologist**
 VAMHCS Department of Neurology Chronic Pain Service (Baltimore, MD)
 Behavioral Pain Management group therapy (8-week psychoeducation and cognitive-behavioral skills group) for Veterans with chronic pain conditions; 1.25 contact hours/week
 Individual CBT for chronic pain; 1 contact hour/week
 Pain psychology evaluations; 2 contact hours/week
 Biofeedback training, 1 contact hour/week
- 05/2017 – 12/2019 **Postdoctoral Fellow, Interventionist & Evaluator**
 VAMHCS Department of Neurology Chronic Pain Service (Baltimore, MD)
 Behavioral Pain Management group therapy (8-week psychoeducation and cognitive-behavioral skills group) for Veterans with chronic pain conditions; 1.25 contact hours/week
 Individual CBT for chronic pain; 1 contact hour/week
 Pain psychology evaluations; 1 contact hour/week
- 09/2016 – 06/2018 **Postdoctoral Fellow, Interventionist**
 VAMHCS Psychosocial Rehabilitation and Recovery Center (Baltimore, MD)
 IMR group therapy with Veterans with SMI; .75 contact hours/week
 Pain education group for Veterans with SMI; .75 contact hours/week, 4 sessions (January 2018)
- 07/2015 – 06/2016 **Psychology Intern**
 VAMHCS Family Intervention Team (Baltimore, MD)

Emotion-Focused Couples Therapy (EFT) with Veterans and their partners with supervision from an EFT-trained supervisor; 1-2 contact hours/week

07/2015 – 06/2016 **Psychology Intern**

University of Maryland Medical Center Adult Outpatient Psychiatry (Baltimore, MD)
Individual and couples therapy, intake appointments, psychodiagnostic and personality assessment with adults with mood, anxiety, trauma, SMI, and substance-related concerns; 20 contact hours/week

09/2014 – 05/2015 **Doctoral-Level Practicum Student**

University Counseling Center, UMBC (Baltimore, MD)
Individual and group (skills-based) therapy with students presenting with adjustment, mood, anxiety, and substance use concerns; outreach programming (workshops, health fairs); 8-10 contact hours/week

05/2014 – 08/2014 **Doctoral-Level Psychology Extern**

Clinical Services Department, Good Shepherd Services, Inc. (Halethorpe, MD)
Comprehensive assessments (cognitive, intelligence, achievement, psychodiagnostic) within a residential treatment center for adolescents and young adults; 6 contact hours/week

09/2013 – 05/2014 **Doctoral-Level Clinical Extern**

Behavioral Health Services, Chase Brexton Health Care (Baltimore, MD)
Individual and group therapy and intake appointments with adults with mood, anxiety, trauma, SMI, and substance-related concerns; 10-12 contact hours/week

09/2012 – 07/2013 **Doctoral-Level Extern**

Center for Families Care Clinic, Department of Pediatrics, Division of Child Protection, University of Maryland School of Medicine (Baltimore, MD)
Individual and family therapy, intake appointments, and comprehensive assessments with children and families with trauma histories; 8-10 contact hours/week

09/2011 – 05/2012 **Doctoral-Level Extern**

Department of Physical Medicine & Rehabilitation, Johns Hopkins University (Baltimore, MD)
Brief therapeutic interventions and assessments (psychodiagnostic, cognitive, neurobehavioral) with adult patients on acute medical rehabilitation units; 10 contact hours/week

05/2009 – 12/2009 **Master's-Level Intern**

Center for Addictive Diseases, Main Line Health (Drexel Hill, PA)
Intensive outpatient group therapy and individual and family therapy with adults with substance use disorders; 10 contact hours/week

01/2009 – 06/2009 **Master's-Level Practicum Student**

Center for Cognitive Therapy, Department of Psychiatry, University of Pennsylvania School of Medicine (Philadelphia, PA)
Intake and psychodiagnostic assessments with adults with mood, anxiety, and personality disorders; 3 contact hours/week

06/2007 – 06/2008 **Behavior Mentor**

CHAAMP Program, Chester County Intermediate Unit (Downingtown, PA)
One-on-one aid in Applied Behavior Analysis program from adolescents and young adults with moderate to severe autism; 35 contact hours/week

Project Development

01/2012 – 02/2016 **Research Assistant & Consultant**, UMBC (Baltimore, MD)
 Department of Psychology, Center for Community Collaboration
Center Director: Carlo C. DiClemente, Ph.D.
 Developed an integrated screening tool, the *No Wrong Door Integrative Screener*, to help providers identify risk and referral needs for targeted health domains (physical health, mental health, sexual risk behavior, infectious disease risk). Created a comprehensive scoring system through Microsoft Excel®. Trained treatment providers on use of the tool and provided ongoing consultation and technical support.

Provision of Clinical Supervision and Consultation

11/2018 – 02/2019 **Tiered Supervision**
 VAMHCS Department of Neurology Chronic Pain Service (Baltimore, MD)
Supervisor: Arianna Perra, Psy.D.; Licensed Psychologist, Maryland
 Supervised doctoral-level psychology intern in Behavioral Pain Management group; 1 contact hour/week

09/2016 – Present **Assessment Supervision**
 VISN 5 MIRECC (Baltimore, MD)
Principle Investigator: Melanie Bennett, Ph.D.; Licensed Psychology, Maryland
 Supervised research assistants on the use of the Semi-Structured Clinical Interview for DSM-5 (SCID-5) and the Brief Psychiatric Rating Scale (BPRS) for use in a randomized controlled trial evaluating the use of a group intervention to reduce negative symptoms in Veterans with schizophrenia; 1 contact hour/month

09/2016 – 02/2018 **Tiered Supervision**
 VAMHCS Psychosocial Rehabilitation and Recovery Center (Baltimore, MD)
Supervisor: Clare Gibson, Ph.D.; Licensed Psychologist, Maryland
 Supervised doctoral-level psychology extern in group and individual therapy and psychosocial assessments; 1 contact hour/week

07/2015 – 06/2016 **Peer Consultation**
 University of Maryland Medical Center Adult Outpatient Psychiatry (Baltimore, MD)
Supervisor: Miranda Kofeldt, Ph.D.; Licensed Psychologist, Maryland
 Consulted with third year psychiatry residents on shared clients and individual therapy clients

TEACHING SERVICE, TRAININGS, AND INVITED TALKS

Graduate Teaching

01/2017 – Present **Adjunct Faculty**, University of Baltimore, Division of Applied Behavioral Sciences
 Applied Assessment Procedures (Spring 2017, Spring 2019); Professional Identity, Ethics, and Legal Issues in the Practice of Counseling and Psychology (Summer 2017, Fall 2017)

05/2018 **Guest Lecturer**, University of Baltimore, Division of Applied Behavioral Sciences
 Course: Substance Use (Spring 2018)
 Presentation: *Chronic Pain and Substance Use Disorders*

Undergraduate Teaching

03/2017 **Guest Lecturer**, Maryland Institute College of Art
 Course: Abnormal Psychology (Spring 2017)
 Presentation: *Mood Disorders*

- 08/2016 – 05/2018 **Adjunct Faculty**, University of Baltimore, Division of Applied Behavioral Sciences Health Psychology (Fall 2016, 2017); Theories of Personality (Spring 2017, 2018)
- Fall 2014 **Instructor**, UMBC, Department of Psychology
Independent Study: Creating HIV-related PSAs
- 08/2010 – 08/2012 **Teaching Assistant**, UMBC, Department of Psychology
Experimental Psychology: Design & Analysis I (Fall 2010, Spring 2011, Summer 2011, 2012); Child Development (Fall 2011)

Intern, Resident, and Fellow Teaching/Training

- 10/2019 **Invited Speaker**, Internship seminar
VAMHCS/University of Maryland School of Medicine Psychology Internship Consortium
Postdoctoral Fellowships in VA: Mental Illness Research and Psychosocial Rehabilitation
Audience: 10 interns; 2.5 contact hours
- 09/2016 – 09/2017 **Co-Director**, SMI Intern Seminar Series
VAMHCS/University of Maryland School of Medicine Psychology Internship Consortium
Planned and implemented a bimonthly didactic seminar for SMI track interns
Audience: 3-5 interns and practicum students; 3 contact hours/month
- 11/2015 **Invited Speaker**, University of Maryland School of Medicine, Department of Psychiatry
Presentation: *Introduction to Motivational Interviewing*
Audience: 3 third year psychiatry residents; 3 contact hours
- 10/2015 **Invited Speaker**, University of Maryland School of Medicine, Department of Psychiatry
Presentation: *Basic Skills in Problem-Focused Therapy*
Audience: 3 third year psychiatry residents; 1 contact hour
- 02/2014; 02/2015 **Invited Speaker**, University of Maryland, Baltimore, Department of Pediatrics, Division of Child Protection, Center for Families Care Clinic (Baltimore, MD)
Presentation: *Substance Use and Risk Behavior in Adolescents*
Audience: two presentations; 6 psychology trainees; 1 contact hour/presentation
- 03/2013 **Invited Speaker**, University of Maryland, Baltimore, Department of Pediatrics, Division of Child Protection (Baltimore, MD)
Presentation: *Vicarious Trauma*
Audience: 15-20 first year medical residents; 1 contact hour

Clinical and Research Staff Presentations/Trainings

- 09/2019 **Invited Speaker**, Pain Research, Informatics, Multimorbidities, and Education (PRIME) Center, VA Connecticut Healthcare System
Presentation: *It's Like Adding Gasoline to a Fire: Chronic Pain among Veterans with Bipolar Disorder*
Audience: approximately 20 researchers and clinicians within the PRIME Center and VA Connecticut Healthcare System; 1 contact hour
- 09/2018 **Expert Speaker**, SAMHSA Recovery to Practice CE Podcast Series
Podcast: *The Role of Pain Management in Recovery*
Audience: varied health care providers, primarily prescribers, who work with individuals with serious mental illness; 45-minute podcast
- 04/2018 **Invited Speaker**, VISN 5 MIRECC Science Meeting (Baltimore, MD)
Presentation: *Chronic Pain & Bipolar Disorder: Preliminary Findings from a Qualitative Pilot Study*

- Audience: ~20 researchers and clinicians within the VA Maryland Health Care System; 1 contact hour
- 04/2017 **Invited Speaker**, VISN 5 MIRECC Science Meeting (Baltimore, MD)
Presentation: *Chronic Pain in Veterans with Complex Presentations*
Audience: ~20 researchers and clinicians within the VA Maryland Health Care System; 1 contact hour
- 02/2017 **Invited Speaker**, VISN 5 MIRECC Peer Specialist Webinar Series (Baltimore, MD)
Presentation: *Screening, Brief Intervention, and Referral to Treatment (SBIRT) for Substance Use*
Audience: 8 peer support specialists; 1.5 contact hour
- 06/2014 – 06/2015 **Trainer**, UMBC, Department of Psychology, Center for Community Collaboration (Baltimore, MD)
Training: *Motivational Interviewing Skills for Sexual Health*
Audience: three (3) presentations; direct service providers at local health departments and health care agencies; 15-20 providers/presentation; 6 contact hours/presentation
- 08/2013 – 06/2015 **Trainer**, UMBC, Department of Psychology, Center for Community Collaboration (Baltimore, MD)
Training: *The No Wrong Door Integrative Screener: Screening, Brief Intervention, and Referral to Treatment*
Audience: 10 presentations; direct service providers at local health departments and health care agencies; 5-12 providers/presentation; 3 contact hours/presentation
